Instrumentation Supply and Services

Geotechnika, Inc. is a consulting and sales corporation that specializes in measurement and monitoring solutions. Geotechnika, Inc., supplies quality instrumentation and equipment in the arena of water, soil, rock, and air monitoring.

Our Mission

Geotechnika, Inc. is dedicated to providing services and products of the highest caliber in accordance with the scientific and technological needs and expectations of our clients from government to private industry.

Our Manufacturers

As a supplier, Geotechnika, Inc. proudly provides products manufactured by the following companies:

Campbell Scientific
Chicago Steel Tape (CST)
Durham Geo-Enterprises
Geokon, Inc.
Onset Computer Corporation
Pyott-Boone Electronics
Slope Indicator
Tektronix
Solinst Canada Ltd.

SUPPLY LIST

Electronics

- Amplifiers
- Capacitors
- Converters
- Connectors
- Enclosures
- Instrumentation Cable
- Kits
 - Resistor
 - Potentiometer
 - Thermistor
 - Capacitor
- Multiplexers
- Potentiometers
- Pager Phones
 - Page Alert w/ Strobe
 - Waterproof Pager Phones
 - Desk Paging Phones
- Relays
- Resistors
- Semiconductors
- Test Equipment
 - Multimeters
 - Oscilloscopes
 - Analyzers
 - Accessories
- Tools
 - Crimping Tools
 - Wire Strippers and Cutters
 - Soldering Accessories

Water Environments

- Submersible Pumps
- Bladder Pumps
- Hand Pumps
- Water Level Meters
- Standpipe Piezometers
- Drive-Point Piezometers
- Bailers
- Packers
- Accessories
 - Reels
 - Tapes
- Turbidity Meters
- Oxygen Meters
- pH Meters
- Temperature Meters
- Conductivity Meters
- Solinst® Leveloggers
- Solinst® Accessories

Air Quality

- Anemometers
- Dust Suppression Enclosures
- Indoor Monitoring Systems
- Outdoor Monitoring Systems
- Multigas Monitors
- Low Level Oxygen Sensors
- Temperature Loggers
- Relative Humidity Loggers
- Rain Gauges
- Weather Stations
- Accessories
 - Sensors
 - Probes
 - Tripods
 - Enclosures
 - Cabling

Rock/Soil Environments

- Augers
- Drill Rods
- Dynamic Cone Penetrometers
- Static Cone Penetrometers
- Hand Augers
- Core Samplers
- Split Core Samplers
- Level Indicators
- Load Cells
- Displacement Transducers
- Tilt Switches
- Testing Accessories
 - Sieves
 - Sample Splitters
 - Shakers
 - Brushes
 - Timers
 - Grinders
 - Laboratory Equipment

Geotechnical Instrumentation

- Crackmeters
- Deformation Gages
- Extensometers
- Inclinometers
- Jointmeters
- Load Cells
- Piezometers
- Pressure Cells
- Strain Gages
- Stressmeters
- Tape Extensometers
- Tiltmeters
